

# Shining Stars Learning Center

## Discipline Policy

Shining Stars Learning Center is a place where fun learning experiences take place and children's lives are molded. We will not tolerate disrespectful behavior as it is a distraction to our daily routines. Our goal is to allow children to learn in a safe and productive environment. Listed below is our offenses and consequence policy:

- First Offense -- Parent Conference
- Second Offense -- One day suspension
- Third Offense -- One week suspension
- Fourth Offense -- Asked not to return

Any direct contact such as hitting, kicking, or spitting towards any adults at the center will result in an automatic one day suspension. To ensure that all of our parents are aware of the center's policy, you will be asked to sign and return a copy of the policy.
