

Shining Stars Learning Center

Permission Slip

Shining Stars Learning Center is a place where fun learning experiences take place and children academic lives are molded. Throughout the course of the day, the center staff and children may go out on walks, visit a nearby park, or other places. This is a general permission slip that will allow us to transport your child for these unplanned trips. For planned field trips, a separate permission slip will be required in order for your child to attend.

Child's Name _____

Parent's Signature _____ Date _____
